

Getting Started on VYNDAMAX[®] (tafamidis)

Your doctor has prescribed VYNDAMAX* for you. With your doctor's assistance, you can either enroll in the VyndaLink program or send your prescription directly to a Specialty Pharmacy. No matter which path you take, a Specialty Pharmacy will fill your prescription.

Click on the boxes below to learn more.

*Access to VYNDAQEL[®] (tafamidis meglumine) is available through each prescription pathway.

The Specialty Pharmacy Pathway

1

Doctor prescribes

VYNDAMAX

The Specialty Pharmacy Pathway

1 Doctor prescribes VYNDAMAX®

- Your doctor sends your VYNDAMAX prescription to a Specialty Pharmacy
- Specialty Pharmacies are different from local retail pharmacies
 - They usually do not have physical locations, and instead ship specialty drugs to patients' homes

Watch out for a call from the Specialty Pharmacy!

The Specialty Pharmacy Pathway

2 Confirm insurance coverage

- The Specialty Pharmacy will contact your insurance plan to confirm your coverage for VYNDAMAX[®], including co-payment amounts
- The Specialty Pharmacy will review coverage with you by phone and can also discuss financial assistance options
- If you have commercial insurance, you may be eligible to pay as little as \$0 per month through the co-pay savings program*

If your insurance plan denies coverage, VyndaLink[®] may have resources to help. To check your eligibility and find out more, call VyndaLink at 1-888-222-8475, Monday-Friday, 8 AM-8 PM ET.

*Limits, terms, and conditions apply. Please visit VyndaLink.com for full terms and conditions of the Co-Pay Savings Program.

The Specialty Pharmacy Pathway

3 Receive VYNDAMAX[®]

- Once your insurance is approved, the Specialty Pharmacy will call you to coordinate delivery of VYNDAMAX
- Most Specialty Pharmacies will continue to call you to schedule VYNDAMAX refills

To explore support and resources available to you, [click here](#).

The Specialty Pharmacy Pathway

4 Continuing VYNDAMAX®

- Your doctor will tell you what clinical and insurance requirements are needed to continue VYNDAMAX
- The Specialty Pharmacy will coordinate with you and your doctor to make sure your information is up to date
- Be sure to attend all doctor appointments to prevent a delay in the prescription refill process

Support throughout this process is also available through the VyndaLink® team. Patients may enroll in VyndaLink anytime. To learn more about VyndaLink and your eligibility, please call 1-888-222-8475, Monday-Friday, 8 AM-8 PM ET.

**Continuing
VYNDAMAX**

The VyndaLink® Prescription Pathway

1 Enroll in VyndaLink

- VyndaLink offers resources to help patients access their prescribed medicine*
- VyndaLink offers eligible patients dedicated financial and educational support, including help with reimbursement

*The same VyndaLink support offerings available to patients prescribed VYNDAMAX® are also available to patients prescribed VYNDAQEL® (tafamidis meglumine).

Work with your doctor to fill out the enrollment form.

The VyndaLink® Prescription Pathway

2 Confirm insurance coverage

- VyndaLink will review your insurance information with you and your doctor, including co-payment amounts and insurance requirements
- If you have commercial insurance, you may be eligible to pay as little as \$0 per month through the co-pay savings program*

Based on your eligibility and insurance, VyndaLink can help you explore potential resources for financial assistance.

To learn more about VyndaLink and your eligibility, please call 1-888-222-8475, Monday-Friday, 8 AM-8 PM ET.

*Limits, terms, and conditions apply. Please visit VyndaLink.com for [full terms and conditions](#) of the Co-Pay Savings Program.

The VyndaLink® Prescription Pathway

3 Receive VYNDAMAX®

- Once approved, VyndaLink will send your prescription to the Specialty Pharmacy
- The Specialty Pharmacy will contact you to collect your co-payment, if applicable, and regarding delivery of VYNDAMAX
- VyndaLink may continue to offer support to you throughout your VYNDAMAX treatment journey

**For support throughout your treatment journey, call
VyndaLink at 1-888-222-8475, Monday-Friday, 8 AM-8 PM ET.**

The VyndaLink® Prescription Pathway

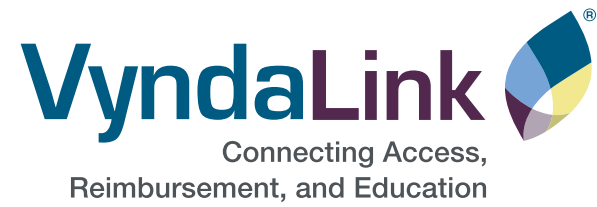

4 Continuing VYNDAMAX®

- Your doctor will tell you what clinical and insurance requirements are needed to continue VYNDAMAX
- The Specialty Pharmacy will coordinate with you and your doctor to make sure your information is up to date
- Be sure to attend all doctor appointments to prevent a delay in the prescription refill process

If you have any questions about continuing therapy, VyndaLink® is here for you. Call 1-888-222-8475, Monday-Friday, 8 AM-8 PM ET.
